July 6, 2021

Dear LISVH Family Member:

We hope that you enjoyed your Independence Day weekend. We remain stable here at the Long Island State Veterans Home, as we have **no cases** of the novel Coronavirus (COVID-19) among our resident population and entire team of caregivers and ancillary staff. Unvaccinated employees continue to be closely monitored through COVID-19 testing. In addition, we continue to offer unvaccinated employees their choice of either Pfizer, Moderna or Johnson & Johnson vaccine. With the Delta variant upon us, we continue to encourage all family members to consider getting the vaccine.

Scheduled visiting remains very active and we still kindly request that you utilize SignUp Genius on our website to arrange all future visits. For those family and friends from out of town who plan to visit later this summer – it's never too early to schedule your visit. Again, we love having our families back at the Home. It's great to see you all.

This week will bring some more hot weather. We encourage you to stay hydrated and use plenty of sunscreen. If you need anything else, please don't hesitate to call us. Enjoy the rest of the week.

Sincerely,

Fred S. Sganga, FACHE
Executive Director
